

## BOBA TEA

# POS Tools to Enhance Your Business

Simplify the business needs of your boba shop with SumUp's POS tools. Manage your staff and inventory easily, track sales, and keep customers coming back.

## Self-Ordering Kiosk

SumUp's self-ordering kiosk is a convenient POS tool that can help improve customer experience as well as streamline daily business workflows.

### Boost Revenue

Kiosk orders are 25-35% larger, boosting revenue by allowing customers to order on their own time.

### Minimize Customer Wait Time

Reduce wait times by allowing customers to take their time browsing the menu before self-ordering on a kiosk.

### Free Up Staff Time

With orders handled, your staff can focus on fulfilling them and attending to other customer and business needs.

## Centralize Your 3rd Party Orders

Our 3rd party order aggregation tool streamlines online orders from online ordering platforms, reducing errors and saving time. Customize menus and pricing across all channels for a consistent customer experience.

### Customer Database

SumUp Connect collects customer data, tracks orders, and enhances loyalty.

### Automated Marketing

Boost retention and sales with AI-powered marketing and personalized offers.

### Customer Rewards
